Tabel 1

In de tabel hierboven worden, per kantoor, gegevens weergegeven van veroordelingen die in FIRST werden ingeschreven in 2012, 2013, 2014 en 2015. Het gaat om het bedrag van de vastgestelde rechten, het bedrag van de ontvangsten, het inningspercentage alsook het in te vorderen saldo.

Het bedrag van de ontvangsten en dus het inningspercentage zijn afgesloten op een welbepaalde datum. Deze ontvangsten en percentages stijgen nog ingevolge ontvangen of nog te ontvangen betalingen in de dossiers waarvoor de kantoren, bijvoorbeeld, betalingsfaciliteiten hebben toegestaan, gebruik hebben gemaakt van de fiscale balans, het vereenvoudigd derdenbeslag, van de ANPR-scanners van de Douane of nog andere invorderingsacties hebben ondernomen.
